

REMARKS

Applicant has considered all points made by the examining attorney in the Office Action and has responded to same in order to ensure compliance with the applicable rules.

The examining attorney has determined that claims 6-13, 15, and 16 are allowable. Claim 14 currently stands rejected as being indefinite.

However, in the Final Office Action dated August 12, 2005, the examining attorney stated that Claim 14 would be allowable over the prior art of record if rewritten in independent form. It was applicant's intent to so rewrite claim 14 in its January 10, 2006 response but, due to a typographical error, the claim was not written in correct form. Claim 14 has been amended above to be in correct form.

It is submitted that the proposed amendments comply with 37 C.F.R. § 1.116 and should therefore be entered, and with their entry that the application is now in condition for allowance. Such action therefore is respectfully requested.

Respectfully submitted,

JACKSON WALKER, L.L.P.
